**RE: Oregon Registered Environmental Health Specialists SW Region Short Course**

We are offering a training class covering general EHS topics. Enclosed is our agenda for this educational short course offered, **on March 29 & 30, 2017**, in an effort to better coordinate on-site, environmental, and safety activities within Douglas and surrounding counties.

We have applied to the Oregon Health Licensing Office, and have been approved 10 CEU hours towards certification of Registered EH and WW Specialists.

We are limited to the number of attendees, so advance registration is recommended.

**Registration: \$10 for each day**, Lunch is on your own/off-site;

*Note--If attending OEHA Annual Business Meeting on Wednesday (March 29<sup>th</sup>), lunch will be catered for additional \$10!*

Please submit registration form attached with appropriate fees to LeAnn McKnight.

Make checks payable to Douglas County Planning Department.

Credit cards are now accepted, please call 541-440-4289 or pay in person at Planning Dept.
