Calling all Environmental Health Professionals...

Save The Date!

The Oregon Environmental Health Association

<http://www.oregoneha.org/aec.htm>

Presents:

Our Annual Education Conference

April 4th – 6th, 2018

Located at: Mt. Bachelor Village
19717 Mt. Bachelor Drive
Bend, OR 97702

<https://mtbachelorvillage.com/accommodations/lodging/>

OEHA is looking for speakers. Do you have a 5 minute story from the field you would like to share? Send story submissions to Bill Emminger: Bill.emminger@co.benton.or.us

Discounted conference costs will be extended to OEHA members. You must become an association member well in advance to qualify for the discount! OEHA Membership dues = \$35.00 per year. All memberships expire March 31, be sure to renew before the conference to receive the discount. Please visit our web-site for more information:

Each year OEHA sponsors annual and regional conferences covering topics which may include food production & safety, waste water disposal, industrial hygiene, epidemiology, disaster response, and other educational seminars as the need arises. The speakers for these educational conferences are recruited not only from Oregon, but also from other parts of the U.S. Speakers come from local, state, federal agencies, universities, and private industries.
